To,

The Principal,

J.R.M. World School,

Malout, Sri Muktsar Sahib.

Sub : For obtaining Building Safety Certificate (J.R.M. World School, Malout, Sri Muktsar Sahib).

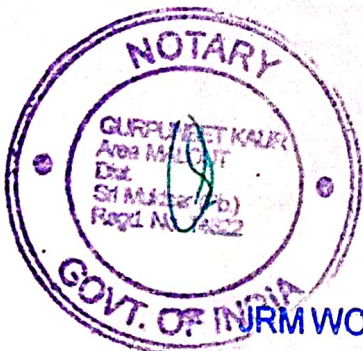

Reference : Your application No. JRMWS/2024/02 Dated 20-04-2024.

Inspection of your school has been done by Sub Division Engineer, Construction Sub-Division no. 3, Malout and based on their report your school building is visually good and usable. Therefore, on the basis of the following conditions, the safety certificate of the civil work of the school building is issued up to the year 2024-25 (31 March 2025).

1. This building should be renovated every year.
2. Water should not be allowed to stand on and around the roofs of this building.
3. If there is any kind of crack in the building then that place should not be used and that place should be vacated immediately and the place should be repaired immediately.
4. The institution will be responsible for the safety of all aspects of the building. Fire extinguishers must be in working condition.
5. If there is damage to the building due to any natural calamity or any other reason then immediately inform to this office.
6. If any kind of addition is to be made in the building, should be certify from the architect and regarding this should be inform to this office
7. If in future any instructions are received from the Punjab Government to collect any road assessment or any other fee then the school will be bound to pay that fee. Failure to do so may result in cancellation of the issued building safety certificate without any notice to you.
